Dear American Legion Post 614 Members:

Thank you for allowing me to participate in the 2014 Buckeye Boys State. It was an amazing experience and I am honored to have been selected to attend. It was great to learn by doing and although the program's focus is on government, you learn so much more including how to work with others to achieve a common goal. Also, the program re-enforced my commitment to community service.

The motto of the program is "A Week to Shape a Lifetime" and I now believe this to be true. I met some amazing Legionnaires, State Leaders, counselors, and fellow students and will reflect on my experiences from my week at Buckeye Boys State for the rest of my life.

Thank you again for sponsoring me at Buckeye Boys State and for your service to our country.
