#### **ADJUTANT SCHNUG'S REPORT**

*With the great help of Rich Queen, I am trying to learn a lot about computer skills in regard to processing membership renewals. I am trying to get cards out to members as soon as I can get them listed on our records I am also setting up a way of transferring dues money with names of paying members so that we will be on the same page financially. At present, we have 91 renewals, 9 Ohio Life, a number of PUFL (National Life) members, which put us about 33% of quota. That's a good start, but fast progress on membership renewal and new members is most helpful to getting this year's*

programs and activities of Memorial Post 614 moving. This Ol' Adjutant is not the fastest at processing information but I would love the challenge of being buried by a great flow of renewals.

You may have heard the report that Post 614 will have a new meeting home site in the relatively near future. Well, it's not just rumor at this stage, as Commander Ihrig and others are working to make this a reality. Make an effort to attend the regular meetings and learn of this progress.

We've all heard at one time or another of the expression "what has the Post done for me lately". Post 614 has been a leader in both the Department of Ohio and our local Twelfth District in youth leadership activities, particularly in the Americanism and Government Test and American Legion Buckeye Boys State. We are trying to improve our service to all veterans particularly those vets of the Middle East wars and their families who may need assistance in getting reestablished in civilian life. There's a rewarding experience for all military vets in the Legion. Why not make it be valuable for you?

*Bill Schnug, Adjutant*

## ***Auxiliary Unit 614 News***

Hello Legion Ladies,

It is that time of the year when everyone, who is lucky enough to have a garden, is beginning to eat fresh green beans and tomatoes. And those with BIG gardens are beginning to can for the winter. We have kept very busy in July. Our entry in the 4<sup>th</sup> of July parade brought us the honor of being on the Channel 10 news that evening at 6:00. And our picture is still on the Dispatch Business page under the Parade heading.

We had a potluck dinner at the monthly meeting that was held at the historical library site. A reorganization of our finances and goals is in the process of being put in place. This will assure that we remain viable for the next 3 years and hopefully enable us to stay around for a long time after that.

Our Chaplain, Patty Gloeckner, has asked each of us to submit our favorite prayer, poem, or a wise saying to her so she can select the appropriate ones for a prayer book. The Legion has considered doing this for sometime, and we should support Patty in her effort to spearhead this project. Her address is listed below.

We should have something to her by the middle of August for publication in the fall.

Hilliard, Ohio, 43026

Patty Gloeckner, Vickie Gloeckner and Pat Poole generously offered to audit the Treasurer's books for 2012-2013. Everything was found to be in good working order and balanced. We are required to do this each year, and we sure do appreciate their good efforts.

Our monthly dinner will be at the Senior Center on August 16<sup>th</sup>. We will have a Bake Sale in conjunction with the dinner. If you can donate a home baked goodie to sell, we would appreciate it. If you can support our fundraiser by coming to have dinner with us, we would love it. We are always looking for ways to increase the participation of members

in the events that are directed towards keeping the Legion on a steady Course.

The August meeting of the Auxiliary will be on the 8<sup>th</sup>, and will be held at the Historical Park on the Fairgrounds. This will be our summer party and is open to Auxiliary ladies and their families. It will be a pitch in Ice Cream Social. Members need to bring cake, pies, topping for sundaes, and anything else that sounds tasty. The ice cream will be provided. The price of admission, if you are a member, is that you will be required to participate in a for fun only "talent skit" of some kind, such as reading a poem, singing a song, doing a dance.....anything to make everyone laugh and have fun. You may get together with other members in a group effort if you prefer to. Please join us at the park at 6:00 PM and help us bring the summer to a happy and successful conclusion.
